

## CICATRICIAL ALOPECIA RESEARCH FOUNDATION

# 6th International Patient-Doctor Conference Embassy Suites Chicago Downtown Lakefront, Chicago, IL, USA Friday-Sunday, April 4-6, 2014

C. A. R. F.

The Cicatricial Alopecia Research Foundation (CARF) together with Dr. Victoria Barbosa and the CARF Chicago Patient Support Group, invite you and your family to attend a two-day educational conference. Learn more about the latest in research, treatment options, and network with other patients, loved ones and physicians.

## Why patients, families, friends, physicians and nurses should attend:

- Learn more about the diagnoses and available treatments
- ❖ Discover the latest research breakthroughs for cicatricial alopecia
- Hear about cosmetic solutions
- Meet leading physicians and researchers in an informal setting
- Participate in small group discussions, network with one another and get support

Enjoy all of these important benefits with Chicago as the back drop. Be sure to take time to explore the wide variety of attractions this beautiful city has to offer.

FOR MORE INFORMATION: Go to www.carfintl.org or contact CARF HQ at info@carfintl.org or 1-310-801-3450
